**EQUINE ADOPTION FAIR**

at the Kentucky Horse Park

The following equine adoption agencies are expected to be represented at the adoption fair with live horses and/or booths with photos and information about their adoptable horses. Some horses will be available to be seen by the public in the afternoon of June 28 in barns 3 and 4.

Please visit their websites to acquaint yourself with their horses, their adoption procedures and applications.

*Adoption transactions are between the individual adoption agencies and the potential adopter(s). Anyone who is interested in adopting can begin the adoption process with the agencies, but will not be able to take horses home the day of the fair.*
