GROUPS INFORMATION

2022

EXPERIENCE THE HORSE AT THE WORLD'S MOST UNIQUE EQUINE ATTRACTION

Groups of all ages visit The Kentucky Horse Park to enjoy a day packed with equine discoveries, education, entertainment and engagement with horse breeds from around the world and famous retired race horses.

Groups can enjoy a self-guided walking tour and attend several live horse presentations each day. Also included: a twice-daily trolley tour that takes visitors on a short horsepowered trip around the center of the Park.

Don't miss the International Museum of the Horse, where exhibits celebrate the centuries-long partnership between humankind and the horse.

Catered dining for your group is also available. Ask about our [Bluegrass Luncheons](#)
